Dear Steve,

This letter acknowledges receipt of HMX's certification criteria as outlined by the SDI Technical Committee for 2017:

ANSI/SDI A250.10
ANSI/SDI A250.4
ASTM A1008
ASTM A653

Upon review of the material provided, the Steel Door Institute has determined HMX is in compliance with the certification requirements and is therefore approved to utilize "SDI Certified" branding.

Thank you for your participation in SDI's 2017 Certification program.

Very truly yours,
